

## Distress After Eating

Nausea between meals, belching, vomiting, flatulence, fits of nervous headache, pain in the stomach, are all symptoms of dyspepsia, and the longer it is neglected the harder it is to cure it.

## Hood's Sarsaparilla and Pills

Radically and permanently cure it—strengthen and tone the stomach and other digestive organs for the natural performance of their functions.

Accept no substitute for Hood's. "I had dyspepsia twenty-five years and took different medicines but got no help until I began taking Hood's Sarsaparilla. Have taken four bottles of this medicine and can now eat almost anything, sleep well, have no cramps in my stomach, no burning and no distress." Mrs. WILLIAM G. BARNETT, 14 Olney St., Providence, R. I. Hood's Sarsaparilla promises to cure and keeps the promise.

## SOLD

A lot of Music Boxes Musical Merchandise, Violins, Mandolins, Etc.

The five days' sale which ends next Wednesday at the store of A. B. Smith seems to have attracted the full buyers who are looking for bargains. Mr. Smith has not been paying very much attention to this department until just recently, and expecting to put in the largest stock ever carried in this city, at the same time contemplating the store improvements, he decided to offer the small musical merchandise, etc., at about 5 per cent. over the factory cost, which cuts from one-third to one-half off from everything you buy.

A great many friends of the store have been taking advantage of this sale. Among the music boxes sold this morning was a \$75 Regina for \$25. There are some more bargains of this kind and if you are thinking of buying something for Christmas, come in and make your selection and we will hold it for you.
